

ENVIRONMENTAL HEALTH PROFESSIONAL DEVELOPMENT SEMINAR

Mercure Wellington Hotel, 345 The Terrace, Wellington
29-31 May 2017

This is a three day residential professional development seminar for designated officers. Its focus is exploring environmental and public health best practice and innovative delivery techniques.

AT THE CONCLUSION OF THE SEMINAR GRADUATES WILL BE ABLE TO:

- Describe environmental health issues of public health significance likely to arise under the various public health statutory frameworks.
- Demonstrate an understanding of the implementation of the relevant sections of the Environmental Health Protection Manual.
- Describe the most probable public health issues which may arise through the activities of public health services and the appropriate statutory frameworks for responding, e.g. noise, communicable diseases.
- Demonstrate an awareness of and a development of skills for effective communication and leadership.
- Understand Swimming Pool standards and how to deal with pool health issues.
- Understand the effect of environmental noise on public health.
- Understand the Ministry's policies relating to Clandestine Laboratories, Freshwater Management National Policy Plan and the National Standards for Sources of Human Drinking Water
- Understand the range of Environmental Health Science services provided by ESR

THE SEMINAR WILL INCLUDE BUT NOT BE LIMITED TO:

- Freshwater Management
- Clandestine Laboratories
- Environmental Health Science services provided by ESR
- Media Skills
- Communication Skills
- Environmental Noise
- Swimming Pool Refresher training

THE SEMINAR STRUCTURE WILL PROVIDE FOR:

- A variety of keynote speakers considered experts in their field.
- Informative lectures discussing the current topical issues
- Integrated networking opportunities
- Syndicate activities and workshops

SEMINAR FEE:

Two people per Public Health Service (four from Auckland and three from Canterbury and Wellington) are fully subsidised by the Ministry of Health. Please refer to separate correspondence relating to this.

For additional non-subsidised attendees the course fee is set at \$2,667.00 (+ GST) per student. This includes airfares, accommodation, meals, morning and afternoon teas, external lecturers' fees, seminar notes, seminar dinner, airport transfers and seminar administration.
