

ENVIRONMENTAL HEALTH PROFESSIONAL DEVELOPMENT SEMINAR

Grand Mercure Hotel, 345 The Terrace, Wellington
27-28 September 2018

This is a two day residential professional development seminar for designated officers. Its focus is exploring environmental and public health best practice and innovative delivery techniques.

AT THE CONCLUSION OF THE SEMINAR GRADUATES WILL AWARE OF:

- A range of topics not normally covered by other SMS Training courses.
- The Statutory Frameworks, roles and work of other agencies to improve, protect and promote various aspects of Environmental Health and where they interact with Public Health.
- Planning, monitoring and assessment processes in response to issues of PH interest and significance.
- The implementation of the relevant sections of the Environmental Health Protection Manual.

THE SEMINAR WILL INCLUDE BUT NOT BE LIMITED TO:

- Built Environments – Healthy Homes Guarantee Legislation
- Climate Change – Heat Health Plan, Implications for Health and the Health sector
- Active Transport
- Swimming Pool disease outbreak investigation
- Risk Assessment of Food Safety applied to International Ships
- Communication – inter agency working groups
- Recreational Water and Freshwater Management
- Border Health updates

THE SEMINAR STRUCTURE WILL PROVIDE FOR:

- A variety of keynote speakers considered experts in their field.
- Informative lectures discussing the current topical issues
- Integrated networking opportunities
- Case studies from PHUs
- Syndicate activities and workshops

SEMINAR FEE:

Two people per Public Health Service (four from Auckland and three from Canterbury and Wellington) are fully subsidised by the Ministry of Health. Please refer to separate correspondence relating to this.

For additional non-subsidised attendees the course fee is set at \$1,635.00 (+ GST) per student. This includes airfares, accommodation, meals, morning and afternoon teas, external lecturers' fees, seminar notes, seminar dinner, airport transfers and seminar administration.
